

MANUFACTURING FELLOWSHIP

- Afternoon sessions, once a week, from **APRIL 5** to **MAY 21**
- Unpaid mentorship and networking opportunity

Apply to join Boeing's Virtual Manufacturing Fellowship Program!

Manufacturing Fellowship participants will build relationships, industry knowledge and confidence navigating manufacturing careers. Fellows will have exclusive access to 15+ hours of individual mentorship, panel discussions, and project activities over seven weeks.

Afternoon sessions, once a week, from APRIL 5 to MAY 21

WHAT TO EXPECT:

- Three sessions with a dedicated Boeing mentor
- Three group panel discussions
- An at-home project with a virtual partner
- Employability skills training
- Access to post-fellowship support and engagement opportunities
- **Sessions will take place once a week for seven weeks, during the late afternoon.**
- *Programming is subject to change*

WHO SHOULD APPLY:

- Core Plus Aerospace high school students and Community & Technical College students from Boeing partnered programs
- Students who will be at least 16 years old before the start of the fellowship.

If you have questions, contact the Boeing Workforce Development team at MfgTalent@exchange.boeing.com
